FOR MEMBERS

OVERVIEW

Surviving and Thriving in Uncertainty

Creating the Risk Intelligent Enterprise

by Frederick Funston and Stephen Wagner

Key things you will learn.

- Why firms must find value amid risk
- Why “risk intelligence” trumps risk management
- How to develop and implement 10 “risk intelligence skills”

Overview.

Risk management practices can protect your firm’s assets, but surviving a corporate ordeal is no longer enough; today, firms must grow and thrive amid ambiguity, information overload and, often, chaos. Consultants Frederick Funston and Stephen Wagner show you how to upgrade your risk management to “risk intelligence: so you can find opportunities amid crises.

About the Author.

Stephen Wagner recently retired from Deloitte & Touche LLP, where Frederick Funston is a principal. Funston pioneered the concept of risk intelligence.
